

SOFTWARE PRODUCT LICENSE TRANSFER REQUEST

All products supplied and distributed by Sector7 have a licensing mechanism installed to prevent unauthorized copying and use. It is Sector7's normal policy to supply a temporary license valid for 30 days until such time as Sector7 receives both a signed copy of this document and full payment. The license must be transferred to the same platform as that originally ordered.

To transfer a license from one system to another please fill out this form and mail (or FAX) it to Sector7. Non-maintenance customers should contact Sector7 for current license transfer pricing.
